“ Barbara, and family, can't believe that my buddy has gone home, I'm going to miss him so much and all the picking on each other we did at church or whenever we were around each other. We had a lot of good times and laughter. All the special memories we made on trips and all of us just being together, I will always have a special place in my heart for him, like I do for all of you. Mike was a wonderful man who loved the Lord and his family and he will be missed, but we will see him again one day. I love you guys and are in my prayers and thoughts

Love,
