“ Bubba, I love you. I always have and I always will. For some reason the person who wrote your obituary left me out on purpose. I know that you loved me, and that I will never doubt. I was there with you at the hospital. I miss you so much, Johnny! Our song (Me & My Gang by Rascal Flatts) came on earlier today, and the tears just started to flow again. You will never be forgotten, I swear!

Love your baby sister,
