“ Dear Pearsons

*It was with great sadness that I learned of John's passing. Unfortunately, I was not aware of it earlier. Today, as I was thinking of him, I searched online and came across his obituary. This news has deeply affected me, and my thoughts are with John and with your entire family.*

*For me, it feels meaningful that John passed away on my birthday, August 8th. I will always remember him on this day. During my time in the United States, when I worked at ZF Lemförder as a 19-year-old, John was like a father to me. With my own family far away, he treated me with kindness and care, as if I were his own son.*

*I will forever hold his memory in high regard, and I am certain he is now watching over all of us from above. Please accept my heartfelt condolences.*

*With eternal remembrance and love  
Your Sini*
