“ *Uncle JP was a wonderful man. He touched lives everywhere he went. I can remember so many good things he said and did.... He'll remain in my heart forever. May he rest in peace.*

I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.

“ He was the most wonderful Uncle anyone could have. He took such good care of me when I was young. I thought that he was the most wonderful man in the world. My heart is broken because I did not know that he was ill. I would have loved to return the favor and taken care of him when he needed it. I loved him very much. Gwendolie (as he would have called me)

“ I have so many fond memories of my Uncle JP. I could have never asked for a more loving, caring uncle. He took such good care of me and Debi. He was my hero. I thought he was the most wonderful man in the world. I am so sorry that I did not know that he was ill, so I could have returned the favor and taken care of him. My heart is broken. I loved him very much. Gwendolie, (as he would have said)
