“ Dear Vicki, Allen, and Corey, my heartfelt sympathy in the passing of sweet Gary. Clyde loved him like a brother and loved to tell me the stories of them growing up on Victor. I loved hearing them as we would laugh about it over the years and they were new every time I heard them! He was a good family man and hard worker - he is now healed in a new body celebrating with his family and friends renewing 'ole times' in the presence of our Savior. May God's love surround you with His grace, mercy and peace during this most difficult time. May your memories bring you comfort during the coming days. Sent with my love, hugs and my prayers, Linda Roberts
