“ Dear Family:

We have fond memories of Jack and his family when they lived on River Road in Greer. Jack was among the first neighbors to welcome us when we moved into the neighborhood 30 years ago. He was a good neighbor.

Please know that you are all in our prayers.

“ I always remember "Jackie" that's what we called him when he was young. Jimmie Lou and Morris were dear friends of mine and loved all of them so much. My sympathy to his family I know he will be missed by all who knew him.

“ I'll always remember playing 70's and 80's songs at the links and Jack knowing all the words! He loved to sing! Every time I hear "You should have seen it in color" I think of Jack. He loved that song! You will be missed forever ! Save a place for me! By the way, you didn't finish that story?
