“ Aunt Hazel & family
Just heard about John - I am so sorry for your loss. Unfortunately, as the years passed I was away from my family a lot, and I missed spending time with all of you. But I do remember John as a sweet and caring person. I know that we can all rejoice knowing that he is with our Heavenly Father walking those streets of gold. One day we can all meet around the great supper table and remember all the good times we had.
My love to all of you###imported-begin##Shirley Wyatt Jones###imported-end##

“ John was a joy to know. During all the times we visited together there were a couple things he made clear to me. First He loved Jesus and trusted him then and for all eternity. Second he loved his family. It was my honor to be his hospice volunteer. My sympathy to you all as you grieve the loss of this dear man##imported-begin##Nancy Krick##imported-end##
