“ I first got to know Johnnie Sue through my veteran friend, Sharon! Sharon spoke frequently of her elderly neighbor that she often shared lunches and memories of each other lives. It wasn't until Johnnie moved into the nursing home that I actually got to meet her....and! What a beautiful smiling soul she was!! Lighting up the world with the joy in her face each time I was fortunate to visit!! Johnnie often spoke of growing up and marrying at a very young age...“that's what you did in those days” she explained!! She also spoke of the most fun trip she ever has was to Niagara Falls...she was so thrilled that she had seen that place because she said she knew that her best friend, Sharon Riley, was from New York State... and that they had that experience in common ...even though it was not “together”!!

Knowing Johnnie Sue for only a few (toooo short!) months has been a beautiful loving journey...she was kind and compassionate to everyone around her and was so happy knowing that her friend, Sharon, was taking care of her every need....never a “need” unmet!!!

Sharon Riley, I think Johnnie Sue has told you how much she loved and appreciated every moment spent with you...how much she KNEW you had her “SIX”, but...just in case she didn't get that chance I know she wanted me to tell you ... “Thank you my dear Sharon!”:

“ *Johnnie was our extended family & a precious friend of my mother’s. We were able to spend more time with her this year, treasured days to be sure. To those who were with her in the end, I thank you for your amazing love for her! I will always remember her sweet smile & heart of gold. She is now in the peace she so richly deserved. RIP my friend, we love you.*

“ *Johnnie Sue was always so sweet to me when i was young. My mom Bertie Mae McGinley loved her aunt, now they can be together again in heaven.
I miss the days when the family lived close and we saw each other weekly at grandma’s house (Ola Hayes). My great aunt was a lovely lady, and she will be missed. Love you Debbie McGinley Fowler and family*

“ I would like to offer condolences to all who loved and supported Johnnie in her last days. She loved you and it comforted her to know you were there. Last year we completed “Five Wishes” and “being right with the Lord” and “having family near” were two of her wishes. You helped her with that.

“ I knew Johnnie Sue Hudson for four years and in that time we became friends. She was fun-loving and laughed with me about some of the silliest things. We frequently went to lunch and one of her very favorite places was Stax, in Greenville. She loved life and left us with love and dignity. I will miss her.
