“ I will miss Mr. Johnny coming to the stand and getting peaches 🍑 on the weekends. We looked forward to him and Mrs. Nancy pulling up and he would always get out with a big smile on his face and some of the best hotdogs around for us!! The last time he came he mentioned him having to have some test on his kidneys the following week. Little did we know he would be with Jesus a few weeks later. He was a dear and precious friend to us!! Praying for all the family

“ I am so sorry to hear about the passing of Johnny. I sure would have attended his visitation if I had known in time. I have known him for many years. He did work for me several times. I always liked talking to him. He was funny and had humorous stories to tell. I still remember him telling me in detail about getting struck by lightning! I believe he was in an attic and he sure made it funny even though it was very serious. I will miss running into him at Walmart. He was a good guy and I liked him a lot. Rest in peace, Johnny.
