“ *My thoughts are with you all. I loved Ray and Rita like a brother and sister. Not a day goes by I do not think of them both. Friends like them come by seldom. But the love they had together can continue now that they are together and in no pain. May God's love bring you strenght and comfort during our time of sorrow.##imported-begin##Lynda Bagwell Harden##imported-end##*

“ *We are so sorry to hear of Ray's passing. In the short time that we knew him, since last summer, we grew to care for him and quickly realized how loved he was in the neighborhood. The lake will not be the same without his visits. Please be comforted to know that he is joyful to be with his beloved Loritta once again.##imported-begin##Robert and Brenda Stasiukaitis##imported-end##*
