“ I am so sorry for your loss and for the delay in posting to her memory page as I just found out of her passing just recently and wanted to let you know that she will be surely missed by all who knew her.

I met Miss Johnsye while I was working for a vet in Fountain Inn, SC as we took care of her dog, Chez. I enjoyed our short talks we would have when she brought him in for his yearly visits or for his spa days.

She was a remarkable woman, not afraid to speak her mind when she felt like it. I was in awe and proud to find out that she had served in the Navy. She would help anyone who needed it. She definitely was one of a kind and I am so happy that our paths crossed as she was so sweet.

Heaven gained a true Angel when she passed. She will be missed by all of us that are proud to have known her during her life. Rest in Peace Miss Johnsye, you have earned your wings for all that you have done for us with your service in the Navy and thank you for your service.

“ Dear family of Johnsye,
Your loved one was also my loved one. I met Johnsye 16 years ago when I moved in Country Gardens from Québec, Canada. First we were in the F.I. Garden Club together. Then we attended Neighborhood Watch meetings together. We also worked on our subdivision workdays together. But more than that, with 2 other friends, we had monthly lunch together for the last 16 years. Our last one was Friday, July 27. I certainly enjoyed her company. She was one of a kind. She will be greatly missed.
A special Thank you to her niece, Laura who was there for her and who kept us posted during Johnsye short sickness. God bless you, Laura!
My deepest sympathy to all of you. May you find comfort knowing that she is now reunited with her Savior Jesus-Christ.

“ I met Johnsye in the late 1950's when she worked at Southern Bleachery. Whenever my mother would pick up my daddy at the plant, Johnsye would stop by our car and speak to us. So sorry to hear about her death.
