“ Dear Remy and JD
I just heard a few moments ago that John Wayne has gone home to
be with our Lord. Please know that my prayers are with you and I
wish that I could be there in person to express my love and
sympathy to you and all of the family.

I will never forget the wonderful time we were able to spend with
ya'll in China and how John Wayne wanted to show us everything
you had experienced there.

When my Dad passed away, someone said this to me and I'd like to
pass it on....

"He is never truly gone until the very last person who ever
remembers him is

also gone." John Wayne touched so many people all over the world
and he will remain in their hearts forever. He will be missed, but he
is still in our hearts.##imported-begin##Debbie Hamby
