“ Jon was my son-in-law. I will always remember the night he came to me, sweating like he had just performed a very strenuous feat, and asked to speak to me outside. I always respected him for asking me if he could marry Ashley. Like many have said, he was smart and funny and interesting to talk with. He had his problems, but mostly he was a caring, giving guy. I am sorry to hear that he has passed. My deepest sympathies are with Ann and the girls.
