“ *Ann, I am truly saddened to hear about Jon's passing. He could sing better than anyone I've heard in a long time. Believe me. . . I do understand how it feels to lose someone so special in our lives. It feels like we have lost half of ourselves when we realize they are gone. But God in His goodness gives us the grace just when we need it the most. No doubt hard times will come, but always remember, God is faithful and He is always with us. He has given us a lifetime of good memories that will carry us through. If you need anything or need to just talk, please call me. Love in Christ, Kathy Lark*

We are so very sorry for your loss, Ann. You are in our thoughts and prayers. I had not seen Jon in several years, but will always remember his beautiful talent of playing the piano and singing. I love you and please know that we are praying for you. Love, Laura, your cousin in Virginia, and family.
