“ *Deepest condolences to the family. RIP Jose. We spent a lot of time together in Panama long ago. We met again in Florida in 1984. You were an outstanding friend, and known to all your friends in Panama as someone to admire. I'm going to miss you my friend.*

“ *Jose was my soul mate, my best friend and still is my only Love. I miss him terribly. he was the best husband and father to my girls. Most people knew him as a quiet, friendly guy who always had a smile for everyone. Only his family and best friends knew the wicked sense of humor he often displayed making us laugh tears. As our family grew, he welcomed Andreas, Biancas husband and Broderick, Anitas husband with open arms. but the biggest joy of his life were his grandsons Cole and Oliver. We all will miss him and love him forever.*
