“ *My Tio Pepe was one of my favorite persons in the world! He was always loving and cheerful! His love spread throughout all our family and I'm sure he will live on in all our hearts. From him I learned what means to be a real and kind human being. He never stopped giving to everybody, even if he didn't have nothing left for him. I have hundreds of pictures of him making funny faces, and that is who he was, the cheer and joy of the family, and that's how I'll keep him in my heart, along with a million warm memories and the same silly jokes that I heard over and over again and always made me laugh! Tio Pepe will be deeply missed, but I'm sure that he is happily joined now with my grandpa, grandma, Tio Guillo and so many friends that he gathered through his life. I'm not mistaken when I say that he had a wonderful life, and that when he left, he did it in peace surrounded by the love of the wonderful family the he and my beloved Tia Tita raised.*

Fly to the angels

Heaven awaits your heart

And flowers bloom in your name...

With love your nephew Paul

“ So many fond memories of the Galindo/Menendez get togethers. I
will miss Tio Pepes Jokes and remember him putting random things
in my mothers purse like an ash tray, pillow, or lamp. Such a special
man, and such a special family.

“ *Dr Joe was a beautiful man... he saved my life once, I had lead poisoning, he was a compassionate and caring doctor and friend. He would visit my mother when she was ill, and we just loved him! He would bring us potatoe soup from Upper Crust...always so much hospitality and kindness...he even had my “dziadzia” over for Thanksgiving one year...he was a blessing to all who knew him..*

“ Dr. Galindo was Dr. to my wife and her Aunt when we lived in Silver Creek, N.Y. many years ago. My wife had physical problems and her Aunt was severely disabled. Dr. Galindo always treated his patients with kindness and respect. We remember how he always encouraged his patients to "hang in there."
