“ *My dearest Beth & family: Please know how very sorry I was to learn of Dan's passing. The girls and I have thought & spoke of your family often over the years. I am sorry for the pain you all are experiencing at this time, but do hold on to the memories of years gone by. May he rest in peace. Prayers for all, Shirley Wilson-Sawyer, and Diana Jo & Susan.*

“ Dear Beth and family, I am so sorry that Dan has passed and I sincerely send my condolences and prayers. Dan was truly one of my best friends and brothers during our Citadel days. I joyfully recall the many times when Dan stayed at my parents' home in Newberry while dating Beth, and I spent virtually those same times at his parent's home here in Charleston to date Charleston girls. I regret we lost connect over the years, but there were even many good post-graduate times with you two and my eventual wife and me. You two made my life richer and fuller, and I will be forever grateful! May God intimately comfort you all as your treasure your many wonderful earthly life memories. Grace and peace, Glenn Lister

“ Rest In Peace classmate. May his soul and the souls of all the departed find rest in that place where there is no pain nor grief, neither sorrowing or sighing, but life everlasting.
May his memory be Eternal.
