“ I just wanted to offer our families condolences to the Barbare family during your time of loss. Although I didn't know Papa Joe personally, I feel as though I knew him from all the wonderful things I heard from Tammy about her Daddy. I know that he was not in good health, and he is singing with the angels this morning and is NO longer suffering!! Take comfort in knowing that, I know it's hard losing someone you love but take assurance in knowing that you WILL see him again, one SWEET day!!! I love you Tammy and your in our prayers!! We'll see you Thursday evening and if you need me BEFORE then, you've got my number. I'm only a phone call away and if there is ANYTHING you need my friend, please don't hesitate to call me. I love you!!! We're praying for your family during this time!
