“ *Just wanted you to know how sorry for you loss. Joes service was the most beautiful service that I have ever seen. I never knew Joe but after the service I sure wish that I had. The life that he lived for you and your family was beautiful and I can only hope and pray that when I die my family can even say half the wonderful things that you all said. Thank you!
You will be in our prayers

“ *Sylvia, Scott, Eric and Family,
We were so saddened when we read yesterday about Joe's death. Please know that you are in our thoughts and prayers as you celebrate his moving to a higher ground. It was so good to see you all last night but we wish it could have been in happier times. It was our first time to meet the grandchildren and we were very impressed with all of them. They were so friendly and welcoming. I know that they are the pride and joy of the family.*

“ *Sylvia, What fond memories of you and Joe at the Greer Athletic Club. I saw both of you one time at Praise, but could never find ya'll again. I thought perhaps you attended the first service. I didn't know Joe was sick, I am so sorry about his passing, but I know for sure that Heaven is a brighter place today because of his presence.. You just knew he was a man of God.

“ To the family, please accept my deepest condolences. With prayer I hope that as you cope with your loss that the God of Comfort strengthens the family with his promise that we will soon see our dead loved ones again. “I have hope toward God ...that there is going to be a resurrection of both the righteous and the unrighteous.” Acts 24:15
