“ *Chris I will surely miss you on my trips home from California. We shared a lot of laughs and you were always so kind to me. I know you are at peace and not suffering any more. To Joe and Thelma I know and feel your pain. However you two did everything within your power for Chris as long as he was on this earth. May you find comfort in knowing that we love you and wish we could be there with you during this sad time. May God give you peace and understanding in the days to come. With much love and sympathy,*

“ I always thought of Chris as a good man. He was always ready to help in any way that he could and ask for nothing in return. I spotted a small group of deer in my backyard today and thought of how he would have liked to see them. He will be thought of often, whether watching for deer in the wood, or just enjoying a restful Sunday afternoon.
