“ *I will miss you so much. We just had our Thanksgiving dinner, it was grand. Crys out did herself...as usual. Dan and Larry carved one of the turkeys. You would have gotten a kick out of that one. Your Dad said a heartfelt prayer for thanksgiving and YOU. We will continue to celebrate your life, and continue to tell your stories. I know how you felt, it takes a village to raise a child and we will band together to do so. Joey I am sure you are proud of all of us!!!! I love you as a Friend and my only Brother. I will see you again.###imported-begin##Marnina Tapp##imported-end##*

“ Hey Joey,
It's Thanksgiving and I wasn't able to get up there this yr. But I'll be there next week and we are all going to party in your name. I won't have a chance to make a cheese cake in time for the party but I'll do it on Sunday and have it baking while we are putting the tree up. It will be a little differant this yr because we wont be able to see you but if I know you "Joey"you'll make sure we'll be able to feel you. Crystal said that Dan and I will be the hands on the job, besides I think he's wanting some of that cheese cake also.
Well my very special "SON " I'll close for now and hope that the embrace of the lord's arms has given you the peace you so were searching for.
I Love You Joey,
DAD###imported-begin##Hal Blair###imported-end##

“ Mrs. Asher,
I first met you when you worked at the veterinary clinic, and later I was privileged to know your sons through school, especially Bradley, who was one of my most outstanding art students. I am so deeply saddened for you and your sons on the loss of your beloved husband and father. May it be a small comfort to know that many people care. In the days ahead, if you can think of any way that I can be of help to you and your guys, please call me. In the meantime, I will keep you all in my heart and prayers.
With my deepest sympathies,

“ To my cousin Hal, The dreaded thing that you were not looking forward to has happened. I know how hard this is for you, Crystal and the children. We don't understand Gods plan in our lives, but I know that he will see you through this difficult time. Like the footprints in the sand showing only one set because Jesus is carrying us the rest of the way. The one comfort is to know that Joseph is in the arms of Jesus and his body is perfect. I love you cuz if there is anything I can do if possible I will. Arlene###imported-begin###Arlene Lentino###imported-end##

“ To my dear friend Hal. My heart is with you at this time of the loss of your son. Although I never met this awesome man, husband and father, I heard in your voice and Crystal's over the phone, that this world was a better place for the footprints that Joseph left in all your hearts. Just know that he is only away in body, his heart and spirit is smiling down and watching over you and sending his love and guidance to you each day. My God comfort you and remind you that your family will be together again soon one day, where there is no more pain or sadness. And never good again to be separated. I am thinking of all of you.

“ To My Boy Joey,
As i always said to you Joseph when we would end our
conversations (I LOVE YOU JOE HONEY) You have been my son
for 17 yrs of life and will now be my son for eternity.
Joseph you gave to me in life, more then you will ever know. The
comfort of knowing my daughter was taken care of and the ofcourse
my three beautiful boys.
You called me sometime back and asked if i would take Crystal and
the boys when you could no longer do it, I thought It would never be
anything I would have to act on but now I know you knew something
the rest of us wasn't privy to, but don't worry Joe it's all good they
will now be under my wings as you had requested.
Go now Joey let the lord embrace you, as he waits for you with
open arms, for you are one of his great treasures.
We will miss you for a very long time and then when we have
prossed that, we will never forget you.
I see your face as i write to you and the tears fall down my cheeks,
selfish it maybe but i want you back in our lives, which can not
happen so go now and know you will always be in my heart SON,
For I love you, and will always hold you in my heart.

“ John,

You probably don't remember me, but you sold me some motorcycle gear a while back...and told me about your Brother at that time.

I am saddened to read of your loss. My thoughts and prayers are with you all. I pray for your comfort and strength. May the joyous memories of Joe flood your thoughts and soul during this time of mourning.

Vince Gill's beautiful "Go Rest High On That Mountain" comes to mind at this moment.
