“ I miss u mom. I wish I would have come to visit on your birthday. When I talked to u, u sounded so bad. I said I LOVE U. Get some rest and I will come tomorrow. Tomorrow never came. You died a few hours later.

I wish I would have come, I think I would of put u in the hosp. And u would be alive today. I have to live with not understanding your dementia.how u alienated everyone in your life. I love u mom and will miss u forever.MAY JESUS KISS U AND DAD TODAY.
