“ *I am so sorry to hear of the death of Joyce. I remember her so much when I was a young child. She is my second cousin. My father was Harold Crumpton and he was her first cousin. I remember her special smile and the love she demonstrated to me and my mother Christine. I had tried to contact her but was unsuccessful many times because I live so far away from Greenville now. Please know that I am very sorry for your loss and would love to extend my sorrow to you. May God bless you and comfort you at this time of sorrow. May God bless!*

“ Debra , and Robert , and family. I am so sorry for your loss of sweet mother Aunt Joyce. Your mother had an impact on so many others . She was a great Christian mother , and I loved her so much. She is now with her family at peace , and no more suffering. Heaven has gained another angel . I am so thankful that I got to be there her last few days to squeeze my fingers, and sing, and pray with. May she forever RIP
