“ Aunt Judy has been a Saint to me in every sense of the word. During some of the worst times in my life, both as a child and as an adult, she was always a shining light to me and brightened my day every visit. I have never been happier to see someone. Aunty Judy always had a tendency to truly empathize with and help those around her. She was a mom to those in need and never thought twice about it. She was loved by so many. In fact, she is one of the big reasons for the goodness in me today. I could not have been more blessed in who my Godmother was, and I will never forget the profound impact she has had on my life.

*Love you Aunt Judy! Godspeed!*

“ Judy always asked about my pets and shared photos. A truly kind lady. She always kept her almost empty jars of peanut butter for my woof. I will miss her. One more Angel to look after us 🙏
