“ Our family has known Judy for a long time. She worked with my father, Dave Monroe, at R.C. Motor Lines in Greer years ago. When my mother, Carolyn Monroe, fell at home, Mom suggested we call Judy to see if she could sit with her. Mom eventually moved to an assisted living facility, and Judy went right along with her. Judy was a godsend to our family. She sat with and cared for mom in the assisted living facility until Mom's death in April of 2020. Mom couldn't have done without Judy. My brother and I are forever grateful to Judy for the care and companionship she provided Mom. We will miss her!
