“ So sorry about your mom, Shane. My prayers are with you and your family. Your mom was a special person. As you know I went to school with your mom and dad and worked with your mom at State Auto for many years. You and Glenn have shared a friendship for many years and it just breaks my heart for all of you. She was always smiling and happy. If she ever had a bad day I never saw it. A fine Christian lady who will be missed by many. So sorry I can't make the funeral today but I will be thinking about you. Love and hugs.

“ Carla, Shane and Brothers you are in my thoughts and prayers. Judy was a sweet loving Christian and she showed it by the life she lived. I am glad I had the privilege of working with and knowing Judy. She always had that sweet smile on her face. Praying God will give you peace and comfort knowing that she is no longer in pain and she is not lost but in Heaven with her Jesus she loved very much and with those who have gone before her. Judy was truly a great friend and will be missed. Shirley Benton

“ Carla, Shane and Families to you our heartfelt sympathy in the loss of sweet Judy. She has always been a special lady - I have special memories of me and my sister playing at her house when we all were kids - those were such special years with great memories. We again caught up to each other when Shane and my son Phil played baseball together growing up - it was special to see our families and to spend time enjoying the renewing of our friendship. I will always remember that special time. May God wrap His loving arms around you and give you strength, mercy and peace as you face the coming days and rejoice in God's promise that we will see our loved ones again with Him in heaven. The Angels are celebrating as they welcome a new Angel home. May God bless each of you. Sent with my love, Linda Coggins Roberts

“ Shane, Carla and to all the brothers and family I am so sorry to hear about Judy’s passing. She was a very special lady in more ways than one, she could sing about God and his love and she could talk to you about God and his love for you. She was a lady you just liked from the first time you met her, precious and loving so sweet. She will really be missed but God needed her and called her home, what a beautiful ANGEL YOU WILL HAVE WATCHING over you. Love your family Brenda Mayfield & Family
