“ Dear Reba and Families: Our heartfelt sympathy in the loss of Judy - she was such a sweet person with a beautiful smile. I have fond memories of her, you and your Mother when we came to your home for those Stanley parties with my mother, Marie (Tootsie) Coggins at Pleasant Grove. We always had such fun with you all - those were good 'ole' days. You all were so welcoming each time we came. We loved your Mom and family even though we have lost touch over the years. May you feel God's love surrounding you all with His strength and peace during this difficult time and may your memories give you comfort and some joy in the coming times May God bless and keep you. Sent with our love and prayers, Clyde and Linda Coggins Roberts
