“ Judy was a truly amazing woman of God. Its been said that she a role model and I agree she always had love and kindness in her heart. She always had time for others and she loved and adored her family. I know that she is in Heaven celebrating with the Father and that we are not to be sad at her homecoming but it is so hard. I will miss her smile and her kindness. Jerry, Jeff, Jeana and family I am praying for a peace and comfort to fall over you at this difficult time. Love you all.##imported-begin##Pam Davis##imported-end##

“ My sincere condolence and thoughts are with the ones Judy loved so very much, her family. Judy was a wonderful, morale, caring person who was a mentor to others in many ways. She was one who lived the "right way" as a wife, mother, coworker, friend, and Christian. Always kind, willing to listen and offer support, honesty, and concern in any situation. She made a point to see potential in others and took time, with great patience, to teach, guide, laugh, and work together. She was a true example of how to live and treat others. The world needs more people like Judy Hembree. May our prayers sustain and strengthen the family and may the wonderful memories she has left for you give you comfort.##imported-begin##Sylvia T Gibson##imported-end##
