“ *Judy and I are friends that have enjoyed raising our daughters up together, we have had so many great times and non stop fun. April I know you are going to miss her but really she is in your heart every breath you take. She loved you and gave you her all. Just remember you will see her again when you are called home. Your mom is at peace out of pain and wants you to enjoy your life to the fullest. I will miss her.*

*April, I'm so sorry about your mom. I always liked her. She was a patient of Dr. Brown where I got to know her.*
