“ Judy worked at Brushy Creek Post Acute (The Cottages) for many years. Everyone loved her bright smile and bubbly personality. Her pretty face and love for people was so evident daily. I loved our political conversations and have missed Judy being with us so much. She loved her family so much and talk of you all more than you know. I know that one day we will be together again. Our prayers are with the family.

“ Sorry to hear of Judy's passing. I remember her smile. About 50 years ago our families lived fairly close and had more contact. The Jacksons and Thomasons were honest, hardworking folk. We all loved fresh vegetables! We're praying for all her family, especially Rellon and Paul. ❤️🙏 Jesus wept. We weep with you. There is no Friend like Him!!!
