“ I met Julie when we started 2nd grade. She was beautiful, even then. But she was also kind and fun to be with. I loved her even then. We remained friends through our school years. My heart goes out to Jackie and to her beautiful daughter, Jessica. I pray that we'll be together again one day in Heaven. Now, she is pain free and filled with gladness. My love to you, both.

“ I knew Julie since we were 5 or six years old. We went to Duncan Methodist Church together and started 1st grade and went through High School together. She was truly one the sweetest, kindest and most beautiful people I ever knew. So very sad to hear of her passing.
