“ Miss June was always good to me when I was a kid. Being a Den Mother, having a bunch of Cub Scouts in her house, riding around and hauling us to pack peaches at 3J farms. Lots of good memories.

Hate to see her leave us, but would like to see the smile on her face when she meets the Lord.

“ To the Gossett family:

June was always just like a mother to me. She certainly cared for, nurtured and (occasionally) reminded me that I wasn't too big for my "britches"...somehow or another she even knew when I had moved those curtains. Some remarkable intuition! She was both beautiful and incredible and will be incredibly missed!

From our family to yours, accept our deepest sympathies and know that we are praying for you.
