“ My deepest sympathies to my family in their time of grief. Kandys was such a special person...always with a smile on her face and always a friend to everyone. She leaves a great legacy behind in Katee and Natalee. The one thing we can do for Kandys is to make sure these babies know what a great mother they had and how much she adored them. Again, I am so sorry for the hurt you are feeling now and I Pray that God will give you all the strength to endure...until we meet her again for eternity. I love you all!##imported-begin##Nicki Reed##imported-end##
