“ *Karl greeted me at the door the first time I was at the guild, back in 2003. I loved being at his auctions, and his sense of humor. His leadership as president inspired me to become a better Guild Member and woodworker.*
I will miss Karl--as will we all

“ *Karl was a valued member of the Greenville Woodworkers Guild. He held several positions on the Board of Directors, including President. For a number of years he led auctions for fund raising and kept up the interest with his humor. His greatest effort was leading all construction crews during the renovation of the current Guild Workshop.*

He will be missed.
