“ Karl, was a great person and will be missed. Wish i could have made it to the service. I met him at the cambodian get togethers and he was so full of life. I just wish i couldnt have lost touch with him. Rest in peace karl.##imported-begin##Llsa Idres##imported-end##

“ I was devastated to learn of Karl's death. Zoe and I have talked at length. She is beyond words. We all loved him. He was so loving. We would have been there, but we did not know of the service since it is a Holiday weekend.

Our thoughts and prayers are with you. We have been through this type of tragedy, unfortunately. We love you. Zoe is thinking of the entire family, especially Karl's brothers.

I know people who can be of support, even when you are having "good days". 905-6585. Day or night.##imported-begin##Kelly Puckett##imported-end##
