“ My name is Renee McMahan, I took care of your Mom and Dad and continued to take care of your Mom after your Dad passed. We laughed a lot and cried a lot together. I often think of your Mom, I thought so much of her. My prayers and thoughts are with you and your family during this time.

“ I have known Kathy since she came to the Cottages. We had many, many conversations and shared many laughs. She had a quick wit and she always let you know how she felt. I loved that about her. She cared about the staff and her fellow residents. She will be missed by a lot of people. Prayers of comfort to her family
