“ I will always remember Kaye with her sweet smile and loving ways. She and I would meet up from time to time, and she would always take the time to talk and visit. She and Bert came to our rescue after Hurricane Helene. We were made so welcome in their home. Kaye will be greatly missed.

I have so many good memories of Kaye - from youth group on Sundays in her house (popcorn!), Outer Banks trip, and so many more - always laughing - I can hear her laugh right now. Prayers for the family during this time.
