“ *Harold, Buster, Faye, Kim, Latonia, etc: I have never known a sweeter, Godlier woman than Kat Wooten. Her legacy will live on for generations to come. You were all so good to her as she became a very sick woman. She is now shouting on the hills of Glory with the Lord that she loved and served so dearly. We will all miss her, but I know that your loss is much greater and I just wanted you to know that you will be in our prayers and if you need anything, please let us know . We love you. We loved her very much. All that knew her, loved her. I know that you are so proud.###imported-begin##Jean Smith###imported-end##*
