“ I was saddened to here of Kathys passing. I started working at Shriners 19 years ago. Kathy was a well respected nurse who was willing to "teach" the residents and other new staff herwell-honed skills at casting the children at Shriners.

I remember her as a cheerful and dedicated nurse and a very nice person.

*"They whom we love
and lose
are no longer where they were before
They are now
wherever we are"*

St John Chrysostom

May you be comforted by many happy memories. You are in my prayers.

“ Hello, I'm Carrie, daughter of Henry Matthews. Kathy was my Aunt "Susie". I never really got to know her, but I heard she was a great woman. I know my father loved her very much and he will miss her greatly. I met her about 5 years ago at Uncle George's funeral and she was a female version of my dad. I wish we could have seen more of each other. I just hope that she looks over my dad up there in heaven and help us keep him longer here on Earth. Love always,
