“ *My name is Sherrill Ann Wade Schaefer, and my mother's name is Shirley Ann Sitton Wade Cooley – this sweet lady was her aunt, and my great aunt. She was one of the most unique individuals I have ever known, and she loved to travel.*

One sweet memory I have of her is an "out-of-the-blue" visit in the mountains. My husband, Bruce, and our children and I, were passing by a store window while visiting Chimney Rock and sitting by the window playing a game of checkers was Aunt Kathryn and Aunt Helyn. I had to take a second look, then turned to Bruce and said, "You won't believe who I just saw?" We went into the store and talked with both ladies and had such a wonderful visit. There are many memories to be told about Aunt Kathryn, but not enough room on this website to mention them all. You are cherished, Aunt Kathryn, and as of this writing, my mother is also an Angel, and with you in Heaven. She passed away on September 11, 2018. I deeply miss her so very much, but I know she is having a wonderful time in her Heavenly home.

Kisses and hugs to you!

Love, Sherrill

“ Dear Family.i
I send d my sympathy to you during this time of loss of Catherine. I was amazed as a child that she had a monkey and would let me talk to it. and ask her all kinds of questions. I'll remember her her sense of humor.

I remember that monkey when I was a young child; I was terrified of it and would run around to the front door of the house to get away from it.
