“ So sorry to hear of Kathy’s passing. Kathy was my assistant for several years at Marley! She was smart and did a great job! She had a great personality and we had a great time together at work! I worked with Kathy when she found out she had cancer! She was such a trooper fighting that disease! Prayers for her son and his family! Rest in peace, Kathy!

“ Lost contact with Kathy for several years but reconnected when I started working at Marley. We were always asked if we were related and got a laugh out of saying "Yes but not through the Brocks". We would talk about old times and I missed her when she retired. Prayers for comfort for the entire family.
