I'm so sorry to hear of Kathy's passing!!! I'm from New Jersey and we became friends from a Nancy Grace group. Me and Kathy kept in touch for years and I recently haven't been able to stay in touch with her. I didn't know she became so sick. I tried many times to call or text her. I'm really sad right now. I loved being able to see her eulogy..... thank you for posting it. She was so very close to the Lord!! I used to love to talk to her. I knew so much about her mom her brother and especially her nieces. She loved you guys so much. I felt like I had known her all my life but never met her in person. She used to call me her "little Yankee friend " which made me laugh. I'm so thankful to have had her in my life if only over the phone. I hope someone gets to read this to see how she touched my life too! JoAnn Rogers
