Kathy has been a life long friend of mine. Too many memories to pick out just one. Thankfully I have many pictures to look back on and remember so many special times that we shared. We shared a love of cats, a sense of humor and years of sharing life and all it brought our way. Condolences to her family.

“ *Kathy was a big lover of animals. One day on the way to work she saw a puppy in the road. She was running late but turned around to go get it. It turned out to be a slipper that was a monkey! So that Christmas I gave her a set of monkey slippers!*
