“ Mr. Phillip. I am glad to have known Kay the last 10+ years. What a special lady the Lord sent into my life! She loved her family & her church and always would pray for us when we were in need. The birds kept us in contact as we both enjoyed them. I'm just sorry I didn't get up to see her the last few weeks of her life. So thank you for calling me on her behalf as we didn't know the Lord had her day appointed to depart from this earth. I'm not sure I will make the long drive to the wake tonight & I know you will understand. God will provide & take care of you. Come down any time & if we can ever do anything for you please call us. Our prayers go out to you & the family at this time.

“ Phillip, Rodney, Ron, Wayne & extended family, Please know my thoughts & prayers are with you at this difficult time. Kay was a sweetheart. A devoted wife, mother, grandmother & sister. Always there to lend a helping hand to anyone if she could. And, a great cook! She & I had lots of laughs & a few tears when we got together for our little "gab fests" on my visits from Arizona. Everyone will miss "Katie Mae".
