“ Kay was one of those rare people who never met a stranger. A beautiful lady, she always had a smile for the world. When our paths would cross she would always give me a flower from her yard to take home. Just the other day, my daughter told me that my flowers were very pretty. Those were the plants that Kay had given me last summer. Those flowers had returned to share their beauty with us again. I will always remember Kay and her kindness especially when I look at flowers.

“ *Kay was a very special person and my longtime friend. It is difficult knowing that she will no longer be with me here on this earth. We shared many of life's journeys together and through all of them we remained close and always there for each other to lend support, wipe a tear, share a laugh, celebrate a milestone, or simply enjoy a phone conversation. I celebrate you Kay and I am thankful that you are free from pain and suffering. You handled your illness with great dignity and bravery. You will always live in my heart and I am counting on seeing you again someday. Your friend, Diane Snow Tuell*
