“ My prayers go out to all during this time. I regret I have not talked or seen Kay since Maynard's Memorial Service, but I asked about her often upon seeing Pam. She showed me love and opened her home up to me during a painful time in my life. She and Maynard planted seeds in my life that are everliving and evergiving that I pass on to my children. I missed an opportunity to tell her again, but somehow she still knows. I love her and will always remember her smile and laugh. She and Maynard were wonderful to me!!!##imported-begin##Tammy Houk##imported-end##

“ Kay was such an encourager to me (plus Maynard) who left such a beautiful legacy on all their children who have touched my life in many different ways. I'll never forget some of the fun times with the boys in school, and my special times with Pam (and getting to meet Mrs. Shelton when we went to a convention years ago). We didn't get to meet her present husband but we pray many blessings upon him with the entire family. We love you all.##imported-begin##Dolores and J.C. Morgan##imported-end##

“ Psalm 116:15 says "Precious in the sight of the Lord is the death of His saints." Precious because one of His children has come home. Teresa, I am so sorry for your loss. I hope that you know that I will be there for you and your family in whatever you may need. I thank God for being able to have met your mother and to have worked for her. You and your family are in my thoughts and prayers.##imported-begin##Allen Robinson##imported-end##
