“ *Dennis I am so saddened to learn of Kellie's home-going (was only notified of it yesterday). As an RN I worked with Kellie in the operating room at Shriners for 13 years and she was most kind, gracious and helpful to me the entire time! A beautiful gracious friend and coworker! My prayers are with each of you as you begin a very unexpected journey! May our precious Lord continue to comfort and guide each of you in the days ahead! Linda Cash*

“ Dear Dennis, Adam, Megan and sisters Cheri and Laurie:

My heart is sad to learn of Kellie's passing. She has always been a most lovely joyous, person, which I am sure made a great nurse for children. I have known her, Cheri, and Laurie since they were little children (cousins) and her smile and beautiful curly hair has not changed. A beautiful earth Angel has moved to heaven! In life changes, we loose touch with those we love, as in our case. Sad I didn't get to see her as she grew up with her family. Praying God's love will surround you all during this sad and most difficult time. May His grace give you strength and peace and may your memories keep Kellie close to your heart with some comfort in the coming days. God bless each of you. 🕊️🙏 with my love and prayers, Linda Coggins Roberts (Graham & Tootsie's daughter)

*Linda,
Thank you so much for your kind words. Like you, I hate that we tend to lose touch. I remember the reunions like they were yesterday and always had fun, especially in the spring .
We did see Shirley and Jane this past week which was a nice surprise. Loved your mom and dad . So kind and funny. Again, thank you for your kind words. I hope your family is doing well.
🙏 With love, Cheri McElrath Wofford*
