“ Chris, Ava, Liam, Maddie I first met your lovely family at Bethany Academy when Ava was in my 4yr old class. Ava had her mama's personality and what a joy to have her in class. Thru the years I have enjoyed keeping up with Kelly and the family thru FB and was so shocked to see this news. I pray y'all will have comfort and peace at this time. Cherish the beautiful memories.

“ I had the pleasure of working alongside Kelly in the 2 yr old class @ St. Giles Preschool. We also watched our boys play flag football together at the local Y. She was ALWAYS so warm and eager to help...funny too:) I remember the day that she watched two of my kiddos when I found myself in a last minute pinch for childcare... that was Kelly. Her memory will forever be a blessing to those who were lucky enough to have known her.

“ I remember the first time I met Mrs. Kelly. My son Reeves was two and he was going to be in her class. I was very nervous b.c. this was the first time a stranger was going to be taking care of my son. On Reeve's first day she made a big sign over the door that said, WELCOME REEVES! She then sent me a pic of his snack that day with a big smile on his face. I just truly appreciated her caring for my son so very much. I then signed up my daughter Penelope the following year as a one year old b.c. I knew Mrs. Kelly was going to be the one year old teacher. Then we ran into her with her kids at Chick Fil A.. Maddie and Reeves were talking in frog language.. lol... she was soooo sweet!!! I remember when she said she was moving from Gville and I cried b.c. I was going to miss her so much at the school. Also, my son was best friends with Maddie.. I always described Maddie as the girl with princess hair who was just as beautiful on the inside as she was on the outside. Maddie always included Reeves in all the class activities. I just adored Kelly and Maddie so much. Whenever I dropped off my kids or attended a class party Kelly was always smiling... always calm.. just so very sweet... she also wore the cutest outfits...I loved the way she always looked put together and so pretty! I am just so very very sorry.. I have books and albums that she made for my children and will always treasure them. I am so blessed to been able to have her a part of my life and my children's. Kelly was a blessing to this world. I will miss her very much. I have been praying for all of you.. Ashley Renken

“ While I never had the privilege of meeting Kelly, I felt as if I knew her, through the many beautiful Facebook postings. Chris, you spoke of her often at work and it was easy to sense the love you two had for one another. I will continue to keep you and your family in my prayers. God Bless.

“ Words fail me, I can still see Kelly walking into the sanctuary of RBC carrying her cabbage patch baby. Plopping down on the second row with an army of little girls hanging right with her. Sweet dreams sweet girl until then we'll hold steady!

“ *Kelly shared loved graciously and encouraged others in so many ways...she was the first person to visit our family at our home after the birth of Miguel (our only son). She brought a meal and her smiling face and beautiful words of encouragement for a first-time mother...to some it may seem small...but for us, who had no close family nearby, it was the most meaningful...we rest assured that she is home now with Jesus...much love and prayers to Chris, Ava, Liam, Maddie and her family/friends...*

“ Kelly taught her very first class in Little Rock, Arkansas at ACCESS School where I had the privilege of her teaching my son, Grayson. Grayson definitely gave her a run for her money. She shaped and persevered with Grayson that whole year! I owe her so much for the impact she had on Grayson. We have kept in touch through the years through social media. My heart breaks for her family but I know she is celebrating with her Lord and Savior. Prayers to all her family!
