“ Charles, Christie, Dan and Heather and all the grandchildren and great grandchildren, as well as members of the Hardin Family, Friends and loved ones. Anyone who knew my Uncle Kenneth knew that he loved his Lord and Savior, his wife and family and when the grands came, they put the twinkle in his eyes. He was always a good man and he did a lot for the people he loved. He shared his vegetables as he found so much pleasure in tilling his garden and bringing a mess of vittles just at the right time. I can see him now coming to nanny and papas with several bags full for them and for us to take some home with us too. He was proud of his family. No matter where I may be and we both happen to be there and we would approach each other with a hug and a pat on my head, no matter how old I was. I always looked forward to seeing him and Aunt Evelyn and hearing stories about my mother as a little girl and when he'd tell me a tidbit I didn't know about my nanny and papa. May you feel Gods grace, mercy and love during this difficult time but knowing that he lived a full life, he was an example to others, his humble ways and love for Jesus opened the door to his everlasting life in heaven. He will always live on in our hearts and our memories. Keep them close to you and keep his legacy alive. We will have you in our prayers and are here for you. God be with you and give you peace.
