“ *Kenneth, Tim and The Holloway Families: I am saddened to hear about your daddy's passing. I loved him and we enjoyed picking on each other out and about, especially at the auction. We would always bring up a hood story from the past and we'd share a laugh and a smile. I will be praying for you and your families for Gods peace, grace and love. May you feel his presence around you and feel his healing touch. Love and hugs,
